

# Pioneer Corporation

We turn your vision into reality...

Pioneer Corporation is a vibrant, growth-oriented sign manufacturer and has made its presence felt in the national market since its inception in 1997. In years we have grown with facilities in Gurgaon, Chennai, Bangalore and are now expanding further with our International office in Toronto to cater to our ever increasing clientele. We believe in building partnerships with our clients worldwide to meet their requirements in a specialized and thorough manner

Our strength lies in our competence which allows us to be a comprehensive service provider of signage services from concept to completion. We work closely with our clients to achieve the design, construction, delivery and cost objectives of each project.

## Why Come to Us?

When you choose Pioneer Corporation, you get industry-leading experience combined with the best signage technologies for high-performance, long product life and unrivaled reliability. Our thorough experience in visual technologies and commitment to providing exhaustive signage display solutions is your advantage. We stand tall above our competition for many reasons, including:

- **Professional Staff:** With our professionally trained staff including graphic designers, we can successfully reproduce all sign designs, on almost any form of print media, with no compromise or substitutions.
- **Commitment to Clients:** We avoid costly delays and misunderstandings by repeatedly consulting our clients prior to final production.
- **Latest Technology:** We use the latest technology and the best materials available to provide clients with innovative and accurate signage solutions.
- **Project Management:** We use an extensive project planning system so that our quotes, work orders and billing information are consistently and efficiently produced, ensuring delivery that is on time and on budget.
- **Flexible Installation Options:** With our specialized installation team, we can produce and install any size and type of custom signage in almost any location, indoors or outdoors. Installations can also be arranged outside of business hours, providing unparalleled flexibility and convenience.
- **Outstanding Customer Service:** Our staff is passionate, caring, friendly and involved in every step of the production and installation process. We go the extra mile to ensure that every job is an outstanding experience for the client.
